Re: Oak Crest at Tivoli Woods Home Owner Meeting of January 15, 2008

Dear Mayor Dyer:

On behalf of the home owners and Board of Directors of Oak Crest at Tivoli Woods, I would like to thank you and your staff for attending our home owner meeting of January 15, 2008. It was an honor to have you all present and we appreciate your consideration in accommodating your schedule to spend time with us.

It was great to have the opportunity to express our concerns and receive direct responses from you and your staff. Most importantly, we truly appreciate the City of Orlando for its assistance and support thus far regarding the Pine Castle Jeep Range matter and look forward to your continued support in the future to not let this issue fade into the shadows. It is the sentiment of many home owners, including myself, that your support and actions since the publicity of this issue have been sincere and in the interest of our community.

Mayor Dyer, thank you again for your consideration and I look forward to continuing to work in cooperation with the City of Orlando staff to assist in meeting the needs of our community.

Sincerely,

Jennifer J. Ortiz
HOA President
